As local governments begin to lift bans against churches meeting , which of the following describes how you feel about returning to a physical worship service?

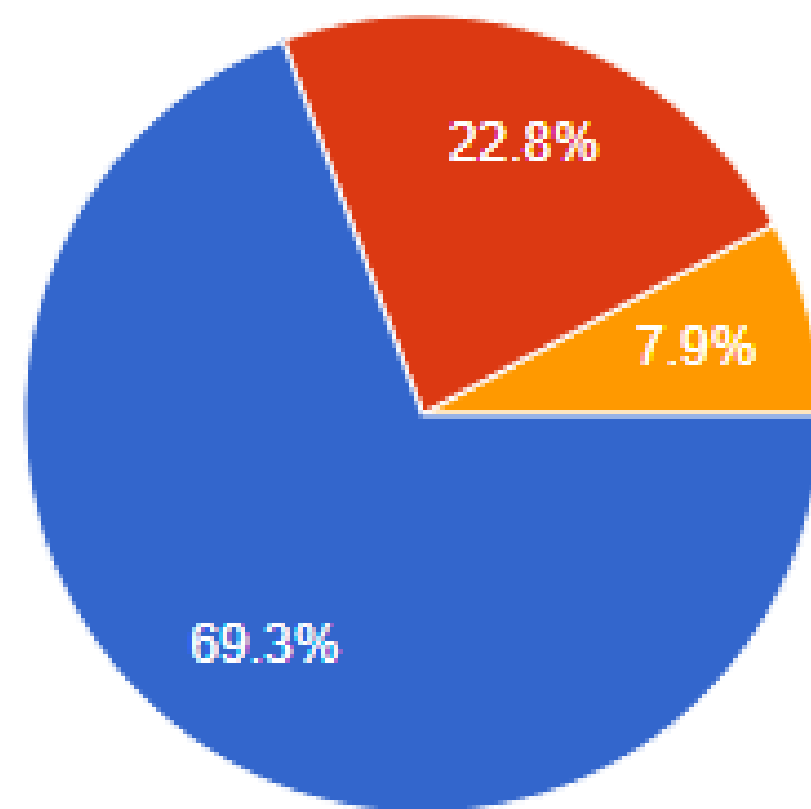

114 responses

- I will be there as soon as they allow us to be there
- I will return at the first opportunity, with some concerns and precautions.
- I will wait several additional week before I return.
- It will be quite a while before I return
- Unsure

If we asked all attendees to wear a protective face covering, how would you feel about attending worship service?

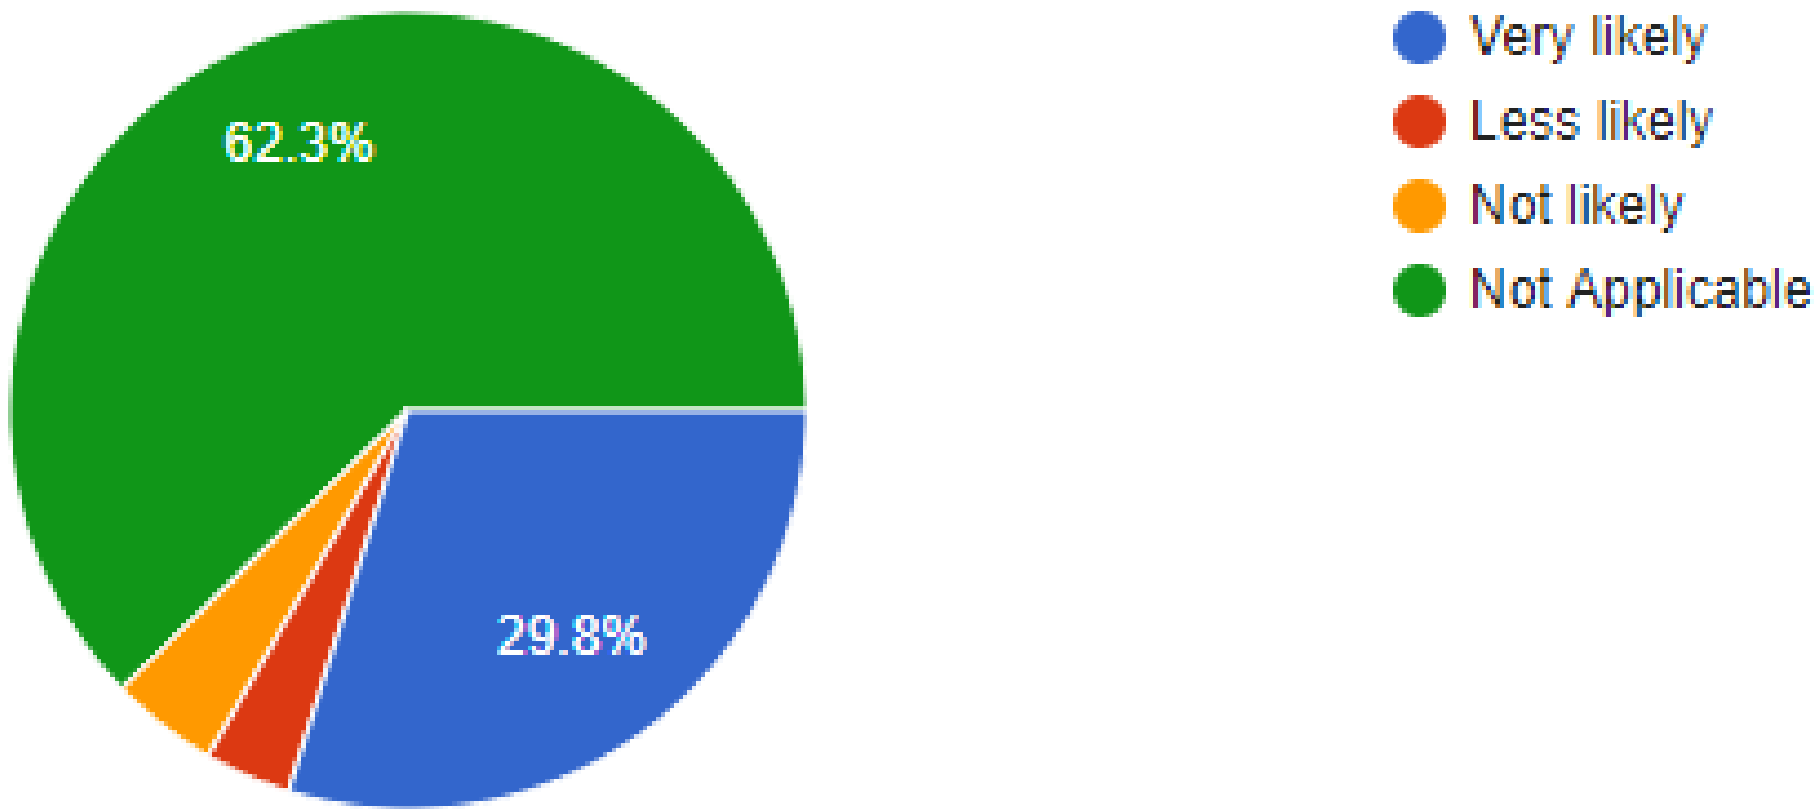

114 responses

- Yes, I would attend with my mask
- No, I would rather worship at home with no mask
- Unsure

Knowing that we will follow all government guidelines for hygiene and safety, but may not host youth church due to social distancing requirements, how likely are you to allow your children to join youth church via zoom ?
