

31 Days of Prayer for my church

1. Pray for your pastor and family. Asking God to bring provision, direction, and energy to lead this church in the way God intends.
2. Pray for your pastor to have effective time management to balance the time between his family and church.
3. Pray for your pastor's spouse that they will encourage and support each other and to the pastor's call as well as not being offended by any negative attacks upon the ministry. Allow them to be equally yoked together, unified, and strengthened to be an example for the church. Pray for the pastor's marriage to be a healthy one.
4. Pray for the church ministers to have more prayer time to seek God's direction and for them to schedule quality time for sermon preparation in order to preach with power.
